### 510(k) SUMMARY

#### 1. Submitter

- |                             |  |
|-----------------------------|--|
| 1) Name                     | KURARAY MEDICAL INC.   |
| 2) Address                  | 1621 Sakazu, Kurashiki, Okayama 710-8622, Japan  |
| 3) Contact person           | Koji Nishida<br>DENTAL MATERIAL DEPARTMENT   |
| 4) Date                     | August 9, 2001   |
| 5) Contact person in U.S.A. | Masaya Sasaki<br>30th Fl. Metlife Building, 200 Park Avenue, New York,<br>NY 10166<br>Telephone : (212)-986-2230<br>1-(800)-879-1676<br>Facsimile : (212)-867-3543 |

#### 2. Name of Device

- |                        |  |
|------------------------|--|
| 1) Proprietary Name    | CLEARFIL PORCELAIN BOND ACTIVATOR              |
| 2) Classification Name | Resin tooth bonding agent (21 CFR 872.3200)    |
| 3) Common/Usual Name   | Activator for bonding systems for restorations |

#### 3. Predicate device:

Kuraray Co., Ltd. will transfer the medical device business and the relevant functions including manufacturing facilities to its subsidiary company named Kuraray Medical Inc. on October 1<sup>st</sup> 2001. The aim of 510(k) submission is to alter the name and address of manufacturer, and not to intend other changes.

The predicate device is as follow.

1. CLEARFIL PORCELAIN BOND ACTIVATOR by Kuraray Co., Ltd. (K925404)

#### 4. Description for the premarket notification

This product is contained in CLEARFIL PORCELAIN BOND (K871636) and CLEARFIL VENEER BOND (K900690) which has been submitted to FDA as 510k notifications and permitted to be marketed already.

**5. Statement of the intended use**

The intended uses of this device are as follows. They are completely the same as CLEARFIL PORCELAIN BOND ACTIVATOR manufactured by Kuraray Co., Ltd. (K925404).

- 1) Repair of porcelain or porcelain fused-to-metal crowns and bridges
- 2) Restoration of gingival porcelain areas where bonding to porcelain is necessary
- 3) Increased retention of porcelain inlays, onlays, crowns and veneers
- 4) Increased retention of composite inlays and onlays

**6. Statement of the technological characteristics and safety**

This device is essentially the same as CLEARFIL PORCELAIN BOND ACTIVATOR manufactured by Kuraray Co., Ltd. (K925404). Therefore the technological characteristics, chemical ingredients and safety of this device are completely the same as CLEARFIL PORCELAIN BOND ACTIVATOR.

Re: K012730

Trade/Device Name: Clearfil Porcelain Bond Activator  
Regulation Number: 872.3200  
Regulation Name: Activator for Bonding Systems for Restorations  
Regulatory Class: II  
Product Code: KLE  
Dated: August 9, 2001  
Received: August 14, 2001

Dear Ms. Sasaki:

We have reviewed your Section 510(k) premarket notification of intent to market the device referenced above and have determined the device is substantially equivalent (for the indications for use stated in the enclosure) to legally marketed predicate devices marketed in interstate commerce prior to May 28, 1976, the enactment date of the Medical Device Amendments, or to devices that have been reclassified in accordance with the provisions of the Federal Food, Drug, and Cosmetic Act (Act) that do not require approval of a premarket approval application (PMA). You may, therefore, market the device, subject to the general controls provisions of the Act. The general controls provisions of the Act include requirements for annual registration, listing of devices, good manufacturing practice, labeling, and prohibitions against misbranding and adulteration.

If your device is classified (see above) into either class II (Special Controls) or class III (PMA), it may be subject to such additional controls. Existing major regulations affecting your device can be found in the Code of Federal Regulations, Title 21, Parts 800 to 898. In addition, FDA may publish further announcements concerning your device in the Federal Register.

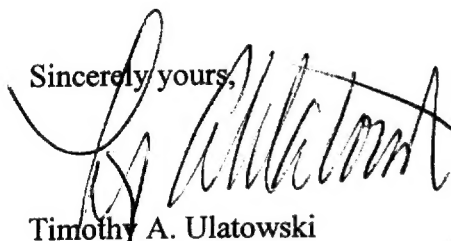

Please be advised that FDA's issuance of a substantial equivalence determination does not mean that FDA has made a determination that your device complies with other requirements

of the Act or any Federal statutes and regulations administered by other Federal agencies. You must comply with all the Act's requirements, including, but not limited to: registration and listing (21 CFR Part 807); labeling (21 CFR Part 801); good manufacturing practice requirements as set forth in the quality systems (QS) regulation (21 CFR Part 820); and if applicable, the electronic product radiation control provisions (section 531-542 of the Act; 21); CFR 1000-1050.

This letter will allow you to begin marketing your device as described in your 510(k) premarket notification. The FDA finding of substantial equivalence of your device to a legally marketed predicate device results in a classification for your device and thus, permits your device to proceed to the market.

If you desire specific advice for your device on our labeling regulation (21 CFR Part 801 and additionally 809.10 for in vitro diagnostic devices), please contact the Office of Compliance at (301) 594-4613. Additionally, for questions on the promotion and advertising of your device, please contact the Office of Compliance at (301) 594-4639. Also, please note the regulation entitled, "Misbranding by reference to premarket notification" (21CFR 807.97). Other general information on your responsibilities under the Act may be obtained from the Division of Small Manufacturers, International and Consumer Assistance at its toll-free number (800) 638-2041 or (301) 443-6597 or at its Internet address <http://www.fda.gov/cdrh/dsma/dsmamain.html>.

Sincerely yours,

Timothy A. Ulatowski
